of Correction*

Dear Sir:

The patentees hereby request that a Certificate of Correction be issued for the above identified patent in order to correct errors made by the patentees and by the Office. The errors are listed on the attached Certificate of Correction, Form PTO/SB/44.

The corrections made herein are to Claim 1. In Claim 1, the word "Image" was capitalized by the Office in lines 37-39, 41, 44-46, 49, 51, and 54-55 and instead should read "image." Also, the phrase "decoder engine" in Col. 10, line 44 should read "decoding engine", and the phrase "encoder engine" in Col. 10, line 49 should read "encoding engine". The words "decoding" and "encoding" mean precisely the same as "decoder" and "encoder", respectively, when used together with the word "engine", as the patentees have claimed in Claim 1, and as used throughout the specification. As a result, these changes do not affect the substance or scope of Claim 1 in that they are merely typographical and minor in character.

Certificate of Mailing: The undersigned hereby certifies that this document and its enclosures are being deposited with the United States Postal Service, as first class mail, in an envelope addressed to: Certificate of Correction Branch, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on May 9, 2006.

By:

The patentees also wish to cancel Claims 3 and 4 of this patent.

Enclosed are two copies of the Certificate of Correction. The patentees respectfully request that this Certificate of Correction be issued.

The Commissioner is authorized to charge \$100 for the Certificate of Correction, and for any fee deficiency, to deposit account number 502,261. Please contact the undersigned attorney if there are any questions.
